

Mandatory Professional Make-Up Kit- NUTCRACKER 2019

Dear ECB Parents & Students,

In consideration for time during the busy Nutcracker season, we have assembled a professional makeup kit for dancers to use in all ECB productions.

In the past, we have asked you to purchase specific colors and brands of drugstore make-up in order to present a unified and professional look on stage. This has been a major challenge because very often colors are discontinued from year to year, or are sold out by the time you have the chance to look for them. This search often involves trips from CVS, to Target, to Walgreen's, to Walmart, etc.

Therefore, we have decided to go directly to the source and provide you with a complete kit of **Professional Stage Make-up** priced at **\$68**. This Kit is less expensive than regular make-up and we know you will appreciate the convenience.

All dancers are required to purchase the kit if they have not already done so. This kit will last through many years of *Nutcracker* and *Spring Performances*, and will be appropriate for all roles, from little Party-Babies through Flowers and Snow.

You may also re-order the single items you need if you have used, lost or broken some of your kit.

The three different Foundation colors are available in the office for reference.

Please use the attached form for your order and return it with payment no later than October 11th, 2019.

Make-up will be delivered to ECB for convenient pick up and we will email you when it arrives.

Thank you!
